Section 10

- Nowhere does it mention that if a DZ gets a significant sponsor does USPA get any of the \$. I would like to discuss this with the committee. I will have a motion to change contract between USPA and DZ to fix this.
- The bidding process will take place at this meeting and the comp comm. will review each bid before the presentations, and since no one ever seems to want to ask the tough questions, our committee will. I have some procedure problems we can go over at the meeting all geared toward keeping it fair to all.
- What aircraft will be used for the Nationals needs to be declared the same time as the dates are published.
- How cost of competing at Nationals is presented in Bid make it uniform
- Nationals DVD, sell in USPA store
- Change wording on when bids are received at USPA
