

GROUP MEMBERSHIP COMMITTEE AGENDA

1. International Affiliate Drop Zone Operators Conference update (AB)
2. Discuss the use of ADS-B data by airport authorities to levy landing fees. This may become widespread and will adversely and unevenly be a financial burden to drop zones. Submitted by: Mike Mullins.
3. Move to require a completed aircraft procedures manual, including a pilot training program, for initial Group Membership applications. Submitted by: Ed Scott.
4. Discuss additional proposed requirements for Group Membership, such as, documentation of approvals, business licenses, compliance with FAA regulations, etc, as part of the Group Member requirements. Submitted by: Ed Scott.
5. Discussion of SEO and a website focused on attracting new members by highlighting the varied disciplines of skydiving in a format that is exciting and will funnel new students to our Group Members. Submitted by: Chuck Akers.
